

Master in Bioengineering

This program, provided by the Faculty of Biological & Environmental Sciences of ZWU, has a foundation of 60-year development in bioengineering related fields, adopting dual tutorial system to ensure mentors from school and enterprise mutually share the guidance work to students' course study, project research, internship and graduation dissertation and so on in order to cultivate applied and inter-disciplinary talents, with strong practical and innovation abilities, who are able to engaged in pharmaceuticals, technology development, engineering design and biological processing design and control in related fields of biological health food, biological agriculture and marine biology. Graduates from this program are highly demanded because of the related talents shortage and huge industry needs.

Core Courses

- 🔍 Biological Chemistry
- 🔍 Microbiology
- 🔍 Molecular Biology and Gene Engineering
- 🔍 Marine Biological Engineering
- 🔍 Biopharmaceutical Technology
- 🔍 Food and Nutrition
- 🔍 Cell Biology and Cell Engineering

The Zhejiang Provincial & Ningbo Municipal Government Scholarship

- 🔍 Established in 2009 and 2011 respectively in order to attract more outstanding international students to study in Ningbo, Zhejiang Province.
- 🔍 RMB 6,000 - 30,000 of full scholarship per academic year

Cost and Fees

Tuition fee: RMB 15,000 yuan /semester
(2 semesters per year)

Registration fee: RMB 240 yuan

Accommodation:

Approximately RMB 1,200 yuan/month

Living cost: Approximately RMB 2,500 yuan/month

Materials Required for Application

1. Bachelor's Degree Certificate and Transcripts
2. Language Requirement: equivalent or over IELTS 5.5
3. Detailed Resume and Statement of Purpose
4. One Recommendation Letter
5. The Application Form
6. A Copy of your Passport's ID Page.

Application Deadlines

Applications are accepted for all term, although
Fall term only.

Deadline for Applying: 30th of April

Please send the application and required enclosures to:

the International College: admission@zwu.edu.cn

or to Penny pennynb@hotmail.com (Penny)
